Applicant's submission of the substitute specification dated 7/28/2004 has been entered. The substitute specification has been entered. As such, applicant has corrected all formal matters, as set forth in the previous Ex parte Quayle. However, the substitute specification introduces a following objection that must be corrected by applicant before this application can be allowed.

Page 75 of the substitute specification is objected because the description of SEQ ID NO: 16 is either missing or written incorrectly as if it is a part of the description of SEQ ID NO: 15. Appropriate correction is required.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to examiner *Dave Nguyen* whose telephone number is **571-272-0731**.
